In order to provide the best care possible, it is necessary to maintain certain office policies.

Payment

We will be happy to bill your primary insurance for you. You are responsible for any co-payments or percentages due at the time of service. If your insurance denies your claim, you will be responsible for payment in full when notification is given to you of non-payment.

Cash/uninsured patients are expected to render payment at the time of service unless arrangements are made with our billing manager.

Appointments

If you need to cancel an appointment please notify the office at **least three hours** in advance. We understand that emergencies and/or conflicts do arise, but would appreciate notice as soon as possible. Please remember that another patient in need of care may be treated in the time slot allotted to you. **Cancellations without three hours notice are considered a no-show.**

No-Shows

We reserve the right to charge your account for a missed appointment. We will excuse one no-show in the event that you forgot or had an emergency. However, any subsequent no-shows will be charged a no show fee of \$50.00 each time thereafter.

Lateness

It is important that you are on time for your appointment. We run on time most days and want to spend the time helping you. We will be tolerant of occasional lateness, however, if you are going to be late, we ask that you try to call us to let us know. We will excuse two late appointments. After that you will need to reschedule and pay for your visit. There will be a charge for future lateness.

Supplements & Equipment

Most insurance companies will not pay for supplements or equipment such as supports or pillows. You will be expected to pay for these at the time of service.

We appreciate your cooperation and understanding. Please feel free to ask any questions you may have. We feel very strongly about these policies but will always do what we can to help accommodate your needs. We look forward to working with you towards better health!

Sincerely,
